NOTES

1. Source of the ledger balance. The \$1,258,559.87 shown above is the closing balance of general ledger account 1010-00 as reported on trial balance run TB-2026-07, extracted from the accounting system on 05 August 2026. Ledger transaction detail for the period is not reproduced in this reconciliation and is retained separately.

2. Journal entries required. Entries JE-2607-14 through JE-2607-16, totalling a net debit of \$23,353.58, were posted to the July period on 06 August 2026 to record the four book-side reconciling items listed above. The general ledger balance for account 1010-00 after posting is \$1,281,913.45.

3. Aged items. Check 20418 (Kellner Freight Systems, \$9,842.11) has been outstanding for 22 days. No item on this reconciliation has been outstanding for more than 90 days, and no stale-dated check write-off is required this period. The Ashgrove Catering returned item has been referred to credit and collections; a receivable was re-established under JE-2607-16.

4. Controls. This reconciliation was prepared by a person independent of cash disbursement authority and independent of the bank statement's receipt, in accordance with the company's period-close procedure FIN-CLS-04. The bank statement was obtained directly from Second Cascade Bank's commercial portal on 03 August 2026.
